## Note for High School Students

---

When applying for scholarships and bursaries:

- If you have questions, ask! It's better to ask 100 questions and be clear.
- Check deadline dates and give yourself enough time to complete applications and supporting documents.
- Always print two copies of the application and information. One copy for rough draft/personal records and one copy to send in.
- READ the entire application before filling in blanks and identify what you'll need before applying (ex: forms, essay, letters, etc.).
- Request transcripts early. If you have to send transcripts at the end of the semester/year, indicate on your application that you will forward them at a later date.
- Select a minimum of two people who can write references on your behalf (ex: coach, teacher, pastor, etc.).
- NEVER send in a hand-written letter/essay on loose-leaf. Type your essay and sign the bottom.
- Review and **EDIT** your application. Make sure it has no errors or spelling mistakes.
- Place your CLEAN, unfolded application and supporting documents in a brown envelope.
- This booklet is only a selection of scholarships and bursaries; there are thousands of financial aids that are available. Make sure you search and apply for as many scholarships and bursaries as you can!
- Remember: If you do not apply, you have 0% chance of receiving a scholarship. **APPLY & GOOD LUCK!!**
